Songs & More

The Shape Song

Tune: The Farmer in the Dell

A circle's like a ball, a circle's like a ball,
Round and round, it never stops.
A circle's like a ball!

A square is like a box, a square is like a box,
It has four sides, they are the same.
A square is like a box!

A triangle has 3 sides, a triangle has 3 sides,
Up the mountain, down and back.
A triangle has 3 sides!

A rectangle has 4 sides, a rectangle has 4 sides,
Two are long, and two are short.
A rectangle has 4 sides!

Rainbow Colors Song

Tune: Twinkle, Twinkle Little Star

First comes red and orange too,
Shiny yellow, green, and blue.
Purple ends the pretty rays,
Only seen on rainy days.

First comes red and orange too,

Shiny yellow, green, and blue.

Make a Circle, Draw a Square

Tune: Oh, My Darling Clementine

Make a circle, make a circle, draw it in the sky
Use your finger, use your finger, make it round as pie!
Make a square, make a square, make the lines so
straight
Draw a square, draw a square, draw one or draw
eight!
Draw a triangle, draw a triangle, always start at the
top
Make a tent, make a tent, use three lines and then
stop!

Every Child Ready to Read Skill

Sing

Singing together with children is an amazing way to bond *and learn*. Babies find the singing voices of their caregivers calming - even if you think you can't sing. By making singing a shared activity, children receive positive attention and improve their language skills. Skills such as counting, rhyming, and prediction can all be found in music.
